O'Brien Training offers the following compliance courses
-Course Dates Pending-

H2S Alive -\$200.00 - 8 hrs

Hydrogen Sulphide or H2S training is required in many industries including pulp and paper, waste water treatment, geophysical/seismic and the petroleum industry.

Ground Disturbance - \$165.00 - 4 hrs

This Course is designed for those individuals who are planning, supervising or otherwise participating in trenching and/or excavating operations.

TDG - \$95.00 - 4 hrs

This complete course is designed for supervisors, managers, drivers, handlers and shippers / receivers who need to understand the TDG regulations.

Confined Spaces - \$225.00 - 8 hrs

The overall objective of Confined Space Training is to protect those entering or working around a confined space.

Fall Protection - \$210.00 - 8 hrs

This course will show you a variety of methods to safeguard you from falling at height, as well as provide guidance on how safety managers can ensure a safe workplace for their workers.

Call and reserve your space today as it is limited for these industry required compliance courses.
